Travel about 6 miles till you see a really nice white fence on the left.

After about an eighth of a mile look for the road on the left. That is Quarry Road. Turn left. Travel down Quarry till you come to an agriculture field on the left. Just before the field ends and before you cross the one lane bridge turn right up the driveway. Follow back past the old log cabin and doublewide trailer till you get to a fork in the road. This area is where you park. DO NOT park on the basketball court. Walk down the hill to the cabin
